

Barnard After School Schedule of Activities EARLY WINTER: DEC 17-FEB 15

Monday: Yoga and Mindfulness

We will get the week started off right with yoga games and mindfulness exercises.

Tuesday: STEAM

Science, technology, engineering, arts and math themed projects to build, create, and get a little messy.

Wednesday: Young Naturalists

We are partnering with our local National Park to bring new learning opportunities to discover more about our own back yard.

Thursday: Go Outside and Play!

Fun games and activities to get you moving

Friday: Art-tastic

Time to create! We will do fantastic art and craft projects to wrap up our week of fun.
