

## Barnard After School Schedule of Activities Late Fall 2018

**Monday:** We Love LEGO!

You know you do too! We will have new projects and challenges every week to keep everyone engaged in LEGO fun.

**Tuesday:** STEAM

Science, technology, engineering, arts and math themed projects to build, create, and get a little messy.

**Wednesday:** Go Outside and Play

Fun games and activities to get you moving.

**Thursday:** Young Naturalists

We are partnering with our local National Park to bring new learning opportunities to discover more about our own back yard.

**Friday:** Art-tastic

Time to create! We will do fantastic art projects to wrap up our week of fun.
